

THE STATE SCHOOL AID ACT OF 1979 (EXCERPT)
Act 94 of 1979

388.1704 Compliance with state and federal law; inclusion of item analysis in M-STEP results; number of enrolled students; distribution of federal funds; kindergarten readiness assessment pilot project; payment schedule determined by department; online reporting tool to provide student-level assessment data; summative assessment system; definitions.

Sec. 104. (1) In order to receive state aid under this article, a district shall comply with sections 1249, 1278a, 1278b, 1279, 1279g, and 1280b of the revised school code, MCL 380.1249, 380.1278a, 380.1278b, 380.1279, 380.1279g, and 380.1280b, and 1970 PA 38, MCL 388.1081 to 388.1086. Subject to subsection (2), from the state school aid fund money appropriated in section 11, there is allocated for 2016-2017 an amount not to exceed \$33,894,400.00 for payments on behalf of districts for costs associated with complying with those provisions of law. In addition, from the federal funds appropriated in section 11, there is allocated for 2016-2017 an amount estimated at \$6,250,000.00, funded from DED-OESE, title VI, state assessment funds, and from DED-OSERS, section 504 of part B of the individuals with disabilities education act, Public Law 94-142, plus any carryover federal funds from previous year appropriations, for the purposes of complying with the federal no child left behind act of 2001, Public Law 107-110, or the every student succeeds act, Public Law 114-95.

(2) The results of each test administered as part of the Michigan student test of educational progress (M-STEP), including tests administered to high school students, shall include an item analysis that lists all items that are counted for individual pupil scores and the percentage of pupils choosing each possible response. The department shall work with the center to identify the number of students enrolled at the time assessments are given by each district. In calculating the percentage of pupils assessed for a district's scorecard, the department shall use only the number of pupils enrolled in the district at the time the district administers the assessments and shall exclude pupils who enroll in the district after the district administers the assessments.

(3) All federal funds allocated under this section shall be distributed in accordance with federal law and with flexibility provisions outlined in Public Law 107-116, and in the education flexibility partnership act of 1999, Public Law 106-25.

(4) From the allocation in subsection (1), there is allocated an amount not to exceed \$185,000.00 for the implementation of a kindergarten readiness assessment pilot project in 2016-2017. The funding would be allocated to an intermediate district located in a prosperity region with 2 or more subregions to participate in the Maryland-Ohio pilot and cover the cost of a contract with a university for implementation of version 1.75 of the kindergarten readiness assessment tool. The kindergarten readiness assessment pilot shall assess an estimated 4,000 children, and the designated intermediate district shall work with other intermediate districts to implement the pilot project, engage with the office of great start and the department, and provide a report to the legislature on the efficacy and usefulness of a kindergarten readiness assessment. Allowable costs under this pilot program include those incurred in August and September 2016.

(5) The department shall continue to make the kindergarten entry assessment developed by the department and field tested in 2015-2016 available to districts in 2016-2017.

(6) The department may recommend, but may not require, districts to allow pupils to use an external keyboard with tablet devices for online M-STEP testing, including, but not limited to, open-ended test items such as constructed response or equation builder items.

(7) Notwithstanding section 17b, payments on behalf of districts, intermediate districts, and other eligible entities under this section shall be paid on a schedule determined by the department.

(8) From the allocation in subsection (1), there is allocated an amount not to exceed \$3,200,000.00 for the development or selection of an online reporting tool to provide student-level assessment data in a secure environment to educators, parents, and pupils immediately after assessments are scored. The department and the center shall ensure that any data collected by the online reporting tool do not provide individually identifiable student data to the federal government.

(9) From the allocation in subsection (1), there is allocated an amount not to exceed \$5,600,000.00 for the purpose of implementing a summative assessment system pursuant to section 104c.
